JULY 2024 – Newsletter

Mission Statement

We, the members of the York Association of the United Church of Christ, are called by God and empowered by the Holy Spirit to represent Christ by:

- supporting one another in our covenantal relationship;
- calling clergy and laity to mutual accountability to the faith and order of the church;
- witnessing together to God’s redeeming love. (Adopted April 28, 1991)

Together We Are Stronger

Delegates and visitors from Penn Central, Penn Southeast, Penn Northeast, and Penn West Conferences in Pennsylvania gathered in State College for our united Annual Meeting. York Association was well represented as we studied the proposed future of the Conferences in Pennsylvania. The Keystone Conference working group has committed themselves, over the past 2 years, to visioning a new and united future for all of us.

The York Association Council will be focusing much of our July meeting on how to best provide leadership and guidance and how to best ready ourselves for the future. We want to provide opportunities for gathering, educating, and listening to each other as we discern what is best for our Conference and Association now and in the future.

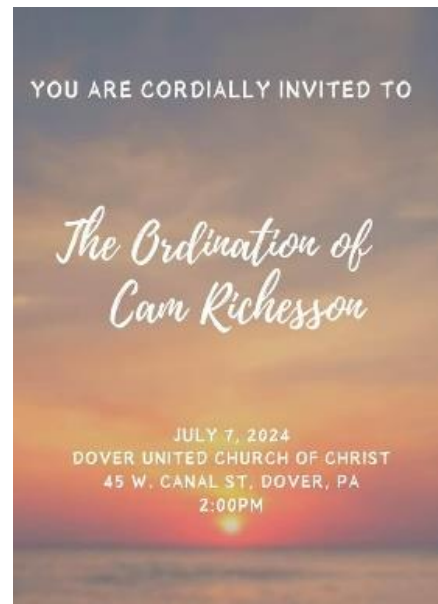

Together we can be a stronger Association in the Penn Central Conference, Keystone Conference, and the wider church.

Blessings, Lisa Young- President

If this week, July 22-26, does not find you available, financial donations are welcome to purchase food and building supplies.

Please contact: JoAnn Kreeger or Pastor Laura Baker or the Starview UCC church office for more information and to volunteer in this service and mission opportunity.
